

Monroe Premier F.C. Uniform Policy

All Monroe Premier F.C. players must wear the complete official uniform kit for the season. Players will be provided uniforms after registration is completed and the order has been received, usually 6 weeks after signing up. These kits are designed to last the entire two seasons (Fall & Spring) and can be used over Winter for indoor games as well. It is the responsibility of players and parents to ensure the uniforms are accounted for and sized correctly. Lost, damaged or outgrown uniforms or other situations are not the responsibility of Monroe Premier F.C. and replacement pieces can be ordered on two situations.

1. Emergency Orders – When an unforeseen act happens, and replacements are needed ASAP. Expedite fees will apply, usually \$15-\$20 for the order
2. Update Orders – These orders are done twice a year, once in mid-October and again in mid-February.
